MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Breakfast Meeting with Secretary Haig, 2 March 1982

1. The agenda for Tuesday's breakfast meeting is not yet set in concrete, but I want to pass you what we have thus far to provide you as much time as possible for reviewing the material. If there are any changes or additions from State, or if you have any other items you wish to discuss, we will make the necessary adjustments on Monday.

Some of the items that we had on the agenda for the previous breakfast for 16 February have been overtaken by the NSC activity this week. There are, in addition, a couple of items for your information and for your discreet handling which have not been mentioned to State in advance.

[redacted] John Stein believes that Assistant Secretary Enders is working to resolve this problem. Neither of these issues, therefore, needs to be raised with Secretary Haig at this time.

12. Please let me know if there is anything else which you would like to add to the agenda.
